

WEDDING NIGHT

The cake is cut,
you've said, "I do,"
The party may go on,
but without you.
It's your wedding night and
romance awaits.
Just pop this cork and
enjoy your date.

HONEYMOON

The most-needed vacation
you will have in your life,
Is the one you take after
your wedding night.
Delight in your alone time
and the fulfillment of
your wishes.
Uncork this bottle and
snuggle up as Mr. and Mrs.

FIRST ANNIVERSARY

Time will fly when
you're having fun.
Can you believe year one is
already done?!
This bottle of wine will help
you celebrate,
The time that has passed
and the time that awaits.

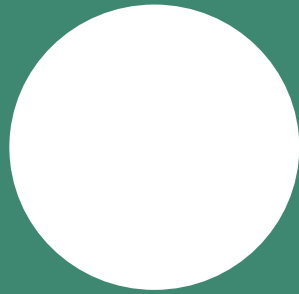

THE FIRST HOUSE

Turn the key in the lock
and carry your bride
through the door.
This house is now yours,
though your bank account
may be sore.
So enjoy this bottle of wine,
on us, your friends,
And party it up, for
tomorrow the moving begins!

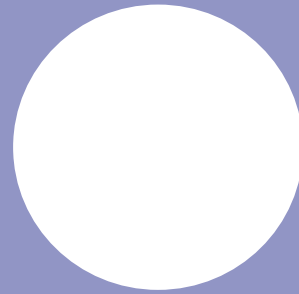

FIRST BABY

50% of me and 50% of you,
Baby will make a family of
three instead of two.
So when you're ready to try
or baby's here
and it's done,
Open this wine and heat the
oven for your bun.

JUST BECAUSE

When a random spark
happens to ignite,
On just another
ordinary night,
Pop open the bubbly and get
your drink on,
With a love like yours, it
couldn't go wrong!

FIRST DINNER PARTY

When you use your wedding
china for the first time,
And invite your friends round
for dinner and wine,
Serve a glass of this
delicious brand,
And the parties you host will
be in demand!

NEW JOB

Cheer up now, the job search
is done!
A new opportunity awaits
and you can't wait
for day one.
It's time to celebrate
this big news,
With a spankin' good time
and this bottle of booze.
